Dear Parents,

Thank you to those parents who have registered with us at easyfundraising.org It is really easy to use and if you are buying anything online and go through this link they will donate money to the school. We are trying to raise money to fund outdoor clothing for our new outdoor area. The area is really developing now, the children are really enjoying the Outdoor learning club. If you have not seen the developments please feel free to go and take a look.

Thank you

Mrs Baron
