Dear Parents,

Thank you for all your support this term. It has been a shorter than normal term - but never the less, very productive.

We know there are concerns regarding the Coronavirus. Currently we are following Public Health advice of encouraging the children to keep washing their hands properly. We will update you when necessary.

Assessments

The children will be completing their end of term assessments in the coming weeks. These assessments allow us to ensure that the children are making the necessary progress in their learning. An end of term report will be sent home, before we break up, to inform you of your child's progress and future targets. Please remember that all class teachers have weekly drop in appointments to discuss any issues or concerns you might have.

World Book Day

World Book Day is taking place this week and the children are welcome to come dressed in their pyjamas. Please come and join us in the morning to share a story with your child. We also have our 'Share a thon' competition

which the children are really enjoying competing in. We will let you know if we meet our target and which class wins.

Bolton Schools Marathon

We are taking part in the Schools Bolton Marathon project. The children will take part in daily exercise activities and plot their progress around the Marathon route. Along the way, they will find out about different local areas of interest.

Please can you make sure that we have up to date contact and medical information for our records.

Thank you
